Parks and Recreation

Make it work for everyone!

Alameda Blvd. Trail Feasibility Study

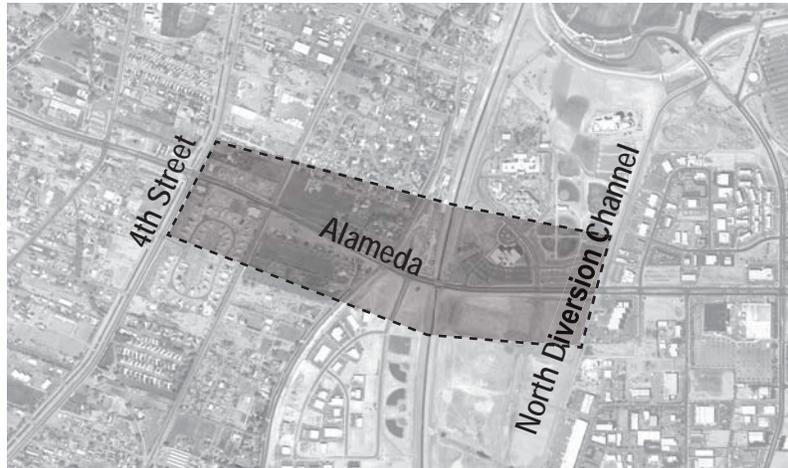

Design Charrette

Saturday, April 14, 2007

Raymond Sanchez Community Center

9800 4th St. NW

2 - 4:30 PM

Help design the trail and amenities:

- Landscaping
- Signaling
- Signs
- Other Features

Help the County design this critical link in the regional trail system.

For information, call David Albright, County Public Works, 848-1516
or Maura Lewiecki, Sites Southwest, 822-8200

Bring your neighbors/Spanish and sign language interpretation available on request
