COMMISSIONER BRASHER WILL HOST PLAGUE AND WEST NILE VIRUS INFORMATIONAL MEETING

County Commissioner Michael Brasher and representatives from Environmental Health will host a public meeting on Monday, June 11, 2007 at 6:30 pm at Los Vecinos Community Center to discuss issues regarding plague and West Nile Virus.

“I understand that the East Mountain Community is concerned about the most recent plague case and resulting death,” says Commissioner Brasher. “This meeting is designed to provide general information on how residents can protect themselves and what to look for.”

Los Vecinos Community Center is located at 478 ½ Old Highway 66.
