# **COMMISSIONER BRASHER TO SUPPORT NEIGHBORHOOD COALITIONS IN OPPOSING CHAMBER RECOMMENDATION**

Bernalillo County Commissioner Michael Brasher plans to attend the scheduled news conference this afternoon to show support to the East Mountain Neighborhood Coalition members and South Valley Neighborhood Coalition members and others who oppose the suggestion by the Greater Albuquerque Chamber of Commerce that the Mayor of Albuquerque appoint some members to the Albuquerque Public School Board.

**“The chamber contends that they represent the business community. I hope that the chamber contacted East Mountain residents, community leaders, local businesses and businesses who are members of the East Mountain Chamber of Commerce before arriving at their decision,”** says Commissioner Brasher. **“I have not been contact on this proposal.”**

Commissioner Brasher works for APS, but is not speaking on behalf of APS regarding this issue.
