BERNALILLO COUNTY BOARD OF COUNTY COMMISSIONER

Meeting Date: May 12, 2009

Department: Commission **Staff Contact:** Dolores Herrera , Commission Asst., District 2

TITLE: Proclamation honoring the contributions of Dr.'s Cole and Elliott

ACTION: Presentation of Proclamation

SUMMARY:

Drs. Cole & Elliot are South Valley veterinarians who have treated hundreds of thousands of pets for nearly three decades. They began their business on Isleta Boulevard and Rio Bravo in the early 1980's and have become well-known for the quality care they provide, the state-of-the-art equipment and facility, their affordable pricing and their knowledgeable and tender approach. In addition, they have contributed to the community by providing CNM Student Internships and working with UNM's Biology Department by employing students.

Drs. Cole and Elliott sold the Cole and Elliott Veterinary Hospital last month following Dr. Cole's retirement from private practice. The Board of County Commissioners offers their heartfelt gratitude to the South Valley and all its caring residents and extend its most sincere thanks to the Cole and Elliott Veterinary Hospital for its decades of outstanding service and unparalleled contributions to countless four and two legged clients seeking their help.
