TITLE: PUBLIC HEARING: Appeal of the County Planning Commission's recommendation to cancel an existing Special Use Permit for a Contractor's Yard (CO-90016/CSU-40012)

COUNTY PLANNING COMMISSION RECOMMENDATION:

Cancellation of the Special Use Permit.

SUMMARY:

At their April 1, 2009, public hearing, the County Planning Commission (CPC) voted unanimously to recommend cancellation of an existing Special Use Permit for a Contractor's Yard (CSU-40012). The subject property is located on Pajarito Road, approximately 1 mile west of Coors Boulevard, zoned A-1, and contains approximately 10 acres in area. The CPC decision was based on five Findings (Attachment 1).

The recommendation for cancellation was the result of multiple time extensions and continuances to allow the owner of the property to develop the site in compliance with the Conditions of Approval. In addition to multiple efforts of department staff members, this matter was deferred from the CPC's September 2007, December 2007, March 2008, June 2008, September 2008, November 2008, and December 2008; as well as continued from the January 2009 public hearing in order to allow the owner additional time to bring the property into compliance by meeting all of the requirements originally established with county approval of the Special Use Permit from August 2004.

The Comprehensive Zoning Ordinance of Bernalillo County authorizes cancellation of a Special Use Permit after determination of a continued violation, proper notification to the property owner, and holding of a public hearing.

The property owner has acknowledged that not all of the applicable standards of the Special Use Permit have been met, but desires to continue the use the property and the rights afforded by the permit.
