COMMUNITY INVITED TO SOUTH VALLEY HEALTH COMMONS CONSTRUCTION UPDATE

Bernalillo County Commissioner Teresa L. Cordova, PhD, will host a public meeting on Wednesday, January 31, 2007 at 4:00 pm at the Armijo Senior Meal Site to present a construction update and proposed schedule of completion for the new South Valley Health Commons facility that will be located at 2001 Centro Familiar, SW.

“This project is a joint effort in both the delivery of services and funding,” says Commissioner Cordova. “I am very pleased that we are about to begin the next phase of this much-needed facility that will provide a comprehensive range of health services to South Valley residents.”

The new South Valley Health Commons building will provide one-stop medical, mental, dental, WIC, behavioral and social services healthcare for South Valley residents. Several agencies including First Choice Community Healthcare, UNM Family and Community Medicine, and the State of New Mexico Health Department will provide services at the new 41,000 square foot facility.

The Armijo Senior Meal Site is located at 1714 Centro Familiar, SW.
