REASON:

These peanut butter products have been voluntarily recalled because they have the potential to be contaminated with *Salmonella*. No other products are involved in this recall.

NMED ACTION:

Notify any stores and retail outlets in your jurisdiction that may have the peanut butter products listed above. If products are identified, remove the products and destroy immediately. Have store Manager contact each company to report an incident report. Keep track of Freshness code and number of quantity destroyed.

Upon completion of required actions, report findings to Cynthia Thomas (Cynthia.thomas@state.nm.us or 505-476-8610).
