

Citizen Science National Day

April 16 • 2 - 4 p.m.
Bachechi Open Space
9521 Rio Grande Boulevard NW

CELEBRATE CITIZEN SCIENCE AND CONNECT TO OTHERS WHO LOVE NATURE! LEARN ABOUT A NUMBER OF IMPORTANT CITIZEN SCIENCE PROJECTS AND HOW YOU TOO CAN BE A PURPOSEFUL OBSERVER OF NATURE AND CONTRIBUTE TO IMPORTANT BODY OF DATA, WHICH RESULT IN MEANINGFUL INFORMATION USED BY LAND MANAGERS AND SCIENTISTS.

THERE WILL BE INFORMATION BOOTHS AND HANDS-ON ACTIVITIES—FUN FOR THE WHOLE FAMILY!

For additional information, visit
www.bernco.gov/openspace or call (505) 314-0398.

This event is part of a national celebration in conjunction with the USA National Science & Engineering Festival in Washington, DC. The day kicks off a series of citizen science activities that are locally organized by science centers, museums, libraries, universities and schools, and local and federal agencies around the U.S. and beyond.
