

# East Mountain Interpretive Series

**T**our BernCo Open Space properties while learning about the history and environmental significance of the area from county partners and experts in their fields.

## **GEOCACHING HUNT AND BIRDING WALK** August 16, 8:30 - 10 a.m.

*Ojito de San Antonio Open Space*

Geocacher Dennis Crowther and Master Naturalists will lead a hike through the property to discover hidden treasures while learning about the historical significance and wildlife diversity. This event is ideal for both experienced and novice geocachers and birdwatchers.

## **GEOLOGY WALK AND PRESENTATION** September 20, 9 - 10:30 a.m.

*Carlito Springs Open Space*

Geologist Dan McGregor will lead a geology walk and share information about the rock retaining walls and naturally occurring tuff which provide wonderful examples of various geological formations, structures and rock types.

## **STORIES OF CARLITO SPRINGS** September 27, 10 a.m. - Noon

*Carlito Springs Open Space*

With a rich history of colorful stories from past residents and visitors including Carl Magee, the founder of the Albuquerque Tribune and inventor of the parking meter, guest storytellers and visitors will be able to share their past memories and experiences at the property from the times when it was a private residence and retreat.

## **GEOCACHING HUNT AND WILDFLOWER HIKE**

October 18, 9 - 10:30 a.m.

*Sabino Canyon Open Space*

Activities for all, join geocacher Dennis Crowther on a geocaching hunt or go on a wildflower walk and explore the property's history and terrain.

The sessions are **FREE**; however, space is limited and participants must RSVP.

To RSVP, visit [www.bernco.gov/openspace](http://www.bernco.gov/openspace) or call (505) 314-0398.
