Historic Bridge MainStreet is a grassroots economic development nonprofit organization formed to assist the South Valley community in revitalizing its traditional commercial district near Bridge and Isleta Boulevards. MainStreet operates in a collaborative environment using human capital, grant funds, and technical resources to support businesses while preserving local cultural and historic assets.

La Entrada Visitor Center

Volunteers are currently readying the pop-up community space at 840 Bridge Blvd.

SW for use by a number of organizations to provide information to visitors about South Valley destinations, such as Valle de Oro National Wildlife Refuge, Hubbell House, El Camino Real, and the Rio Grande Bosque. Additionally, the space will be used by local artists to display their work. The grand opening will be held on Thursday, July 16, 6 to 9 p.m. Refreshments will be served.

Puente Histórico MainStreet es una organización sin fines de lucro para el desarrollo económico formada para ayudar a la comunidad del Valle del Sur en la revitalización de su zona tradicional de comercios cerca de las calles Bridge y Isleta bulevar. MainStreet opera en colaboración mediante el capital humano, los fondos de la subvención, y recursos técnicos para apoyar a los negocios. Preservando al mismo tiempo, los bienes culturales y locales históricos.

Volunteers Needed

We are looking for volunteers to help organize events at Gateway Plaza and for outreach to the businesses. Please contact Richard if you are interested.

Four-Point Approach®

The MainStreet four-point framework encourages self-help in the following areas:

- **Organization** – creation of a well-managed, sustainable nonprofit organization with staff and volunteers that operate the MainStreet program locally
- **Design** – improving the physical environment through historic preservation, building renovations, and improvements to façades, public spaces, amenities, and infrastructure
- **Promotion** – promoting the MainStreet district through special events, business promotions, and overall image development
- **Economic Positioning** – economic development including identification of potential market opportunities, business retention and recruitment.
