

Public Safety Officer Memorial Advisory Committee Meeting

Wednesday – March 11, 2015/ 4:30 pm - 6:30 pm

111 Union Square S.E. / 2nd Floor

Risk Management Conference Room

Meeting Minutes

i. Memorial Location Recommendations/ Review Process

Staff reviewed the process from the February meeting where various locations were considered for the memorial. Three locations were chosen to recommend to the Bernalillo County Commission. The locations identified were Tingley Beach, Arroyo del Oso Park and the McGrane Public Safety Complex.

ii. Presentation: Ken Romig - Dekker / Perich / Sabatini

Mr. Romig presented a variety of images of significant memorials nationally and internationally to provide context for a discussion of memorial design considerations. Key elements presented were location, experience, style, components and materials. Mr. Romig suggested that the county conduct an RFP of designers to come up with final concepts for consideration. The committee agreed.

iii. Design Criteria for Recommendation to BCC

The committee asked questions particular to materials and cost, and how location determines the experience and style. The committee decided to wait for an in depth discussion on memorial components until after the public meeting to be held in April.

iv. Public Meeting in April

A public meeting to garner further discussion on memorial considerations will be held on April 8th, location to be determined. Cultural Services staff

will arrange for a location, provide notification to the committee and the public. County staff will facilitate the public meeting. Information gathered will then be given to the advisory committee for further discussion and finalization of memorial criteria to recommend to the commission.

v. Other Items

Due to many public safety commemorations and events in the month of May, the committee will not have a May meeting and will convene on June 10th at 111 Union Square

Meeting adjourned at 6:20pm
