Tom Tenorio Park Master Plan Implementation

An appropriation of \$1,300,000 is requested to plan, design, construct, remodel equip and furnish Phase 1 improvements identified in the Tom Tenorio Park Master Plan. The Master Plan for this 50-acre park on Arenal just west of Coors Blvd. was developed through a series of community meetings. The Plan calls for a creating a multi-generational, destination community park to include a 4-field softball complex with concession building, tennis and handball courts, two playground areas, covered picnic facilities, game fields, skate park, off-leash dog park, remote control race track, restrooms, horseshoe pits, volleyball courts, walking paths and trails, parking areas, a maintenance area/building, and a “Tom Tenorio Memorial” to be located near the entrance. Phase 1 will likely address redevelopment and relocation of softball fields in a “pinwheel” configuration near the southeastern corner of the site as well as a new children’s playground.
