

BERNALILLO COUNTY ANTI-GRAFFITI PROGRAM

ERASE IT!

Thank you for your interest in helping to stop graffiti in Bernalillo County.

The **ERASE IT!** program provides a way for each individual to help stop the graffiti in our neighborhoods. Call **505-24-ERASE** to simply report graffiti or to become an **ERASE IT! Partner**.

ERASE IT! Partners agree to keep an area (*such as a sign, pole, or dumpster*) close to their home or business, free of graffiti by reporting it or by removing it using supplies provided by Bernalillo County.

Research shows that promptly removed graffiti (within 24-48 hours) greatly reduces the chances of repeat graffiti vandalism. The **ERASE IT!** program empowers all community members to create a neighborhood that is clean and free of graffiti!

For more information, contact Bernalillo County Anti-Graffiti Program at 505-243-7273, via email (24erase@bernco.gov) or go online to www.bernco.gov/24erase.
