COMMISSIONER WELCOMES NEW NEIGHBORHOOD COALITION

County Commissioner Michael Brasher welcomes the East Gateway (Neighborhood) Coalition as they come together for their first meeting on Thursday, January 25, 2007.

“Over the years as an elected official, I have come to understand the importance of neighborhood associations and coalitions,” says Commissioner Brasher. “They have a good idea of the needs of the residents in their area and serve as a source of information on many issues and projects before decisions are made. I am looking forward to working with them.”

The coalition meeting will be held at the Manzano Mesa Multigenerational Center and will begin at 6:30 pm. For more information, please contact Roger Mickelson at 332-9273.
