EAST MOUNTAIN BEFORE AND AFTER SCHOOL PROGRAM MOVES BACK TO COMMUNITY CENTER

County Commissioner Michael Brasher has moved the Before and After School Care Program back to Los Vecinos Community Center. It was determined by the County early this summer that the vans used to transport the children violated state and federal law. County Parks and Recreation worked with APS to move the programs to the elementary schools in the areas closest to the community centers to be certain that the programming continued.

“By working with parents whose children attend A. Montoya Elementary School in the East Mountains, we decided to keep the program at the community center since it is within short walking from the school,” says Commissioner Brasher. Registration is currently taking place at Los Vecinos Community Center.
