3. **Approval of Minutes**
 - a. Buck Sanchez motioned for approval. Dr. Miller seconded. Moved to approve the minutes, motion passed.
 - b.
4. **New Business**
 - a. Amendment to MCT Program: Non Law Enforcement Model: Brief description on proposal to pair a BCFD EMT with a MCT clinician to respond to priority 2 calls. This will be an amendment to the original proposal but will keep the original funding allocation. Committee feedback was significantly in favor and request was made to add two additional teams if budget allowed. There is an intent to follow the Alameda County Model for implementation, details to be established with BCFD and DBHS.
5. **Old Business**
 - a. MCT Update: two new teams are currently on OJT and will be in service with COA in next two months. Hope works continues to hire clinicians to meet demands of additional teams.
 - b. RRC Update: Have passed the one year mark, much learning and growing. Average of 50 clients through every day. Learning that short term needs are a higher percentage or requests. RRC staff will provide more thorough presentation next meeting.
 - c. Steering Committee Update: Steering committee heard and passed proposals on a capital investment for a safe house for sex trafficked youth and \$3M investment into capital and start up programs to address gaps in the behavioral health continuum.
 - d. Open Dialogue Discussion: Buck Sanchez provided and update from small working group meetings. Staff will present at provider summit on an upcoming training.
6. **Public Comment** : None
7. **Next meeting**: September 18, 2019
8. **Adjournment**
 - a. The meeting was adjourned at 10:24 AM seconded, motion passed.
