Non - Voting Members: Connor Tuttle, Margarita Chavez, Joelle Jacobs

1. Call to Order

- a. The meeting was called to order at 2:00 pm MST by Betty Whiton. Quorum was reached.

2. Approval of Agenda

- a. Add Dr. Lenroot – Project Update
- b. Moved to approve the agenda **with the modifications**, motion passed.

3. Approval of Minutes

- a. Moved that the minutes from November be approved as presented, Motion passed.

4. New Business

- a. **RRC Update-** Margarita has taken over the Specials Projects Coordinator position and duties for now. Interviews have been completed yesterday. Issues-receiving screening was not being used or not used to fidelity. Medical provider in jail was not motivated to start something new and to use it to full fidelity. The model of the was not being used to what the committee had envisioned. There was not a good level of engagement and a warm environment was not being created. New provider in the jail, they have been collecting the receiving screening to its full fidelity.
- b. **Dr. Lenroot Project Update-** Open dialogue- started in Finland in the 70s- who were the support network and to engage that network for that person? Working on looking at this model to bring back to our community.

5. Old Business

- a. Steering Committee Updates
 - i. CET presented at the last steering committee, also received an update about CTC, and RRC update as well. Single-site Multifamily proposal going to BCC on February 26th.
- b. CTC Stabilization Update- The IGA has been signed between the county and UNM. Submitted a letter of interest, waiting for the application from the state. Submitting for class d pharmacy license. Drafting scope of work for the medical staff, updating policies and procedures. Possible soft opening in May.

6. Public Comment

- a. Jim Ogle-brought up APD/MCT data
- b. Michael Spanier-Behavioral Health Day: Betty Whiton received the lifetime achievement award
- c. Dr. Miller – announced the Motivational Interviewing Free training
