

Open Burning Ban!

Bernalillo County Commissioners have enacted an open burning ban for 45 days starting on May 25th 2021.

Camping, Recreational, and cooking fires using any fuel other than Kerosene, White Gas, or propane are not allowed, on public or private property, in the unincorporated areas of Bernalillo County.

Fires using wood or anything other than Propane, White gas, or Kerosene is prohibited.

Cooking in a Propane grill is still allowed

Public Smoking is prohibited except in enclosed buildings and within vehicles equipped with ashtrays.

Smoking is permitted indoors at a private residence or outdoors at the private residence in an area clear of vegetation with a noncombustible receptacle to collect the smoking remnants.

E-cigarettes are not affected by this ban.
