COUNTY OFFICIALS TO MEET TO DISCUSS FIRE SAFETY AND RESPONSE

Bernalillo County Commissioner Michael Brasher has arranged a meeting with officials from several other counties in the surrounding area to discuss fire danger, response coordination and resources.

“The threat of fire is at a critical level in many areas of the state,” says Commissioner Brasher. “It is essential to establish lines of communication and combine available resources in the event of an emergency. This meeting is the first step towards that objective.”

Representatives from the following Counties will be present at the meeting, Sandoval, Valencia, Santa Fe, Tarrant, Cibola and San Miguel. The meeting will be held on Monday, March 20, 2006 at 3:00 pm on the 10th floor of One Civic Plaza in the conference room.
