To whom it may concern

Subject: Post Yard Hydrants

As per the 1991 Uniform Plumbing Code Section 1003 (n) Post Yard Hydrant installations **will not be allowed** unless provided with Backflow Prevention Protection. (For example either a Reduced Pressure Backflow Preventor or a Pressure Vacuum Breaker.)

Post Yard Hydrants will be permitted to be temporarily used on construction sites during construction, but will be required to be protected or removed before final inspection is given out.

If you have any questions contact a Plumbing/Mechanical Inspector at 924-3700.
