

NOTICE OF AN INFORMATIONAL MEETING FOR THE BERNALILLO COUNTY HAZARD MITIGATION PLAN

Why a Hazard Mitigation Plan?

To eliminate or reduce the loss of life and property due to natural & manmade disasters, such as:

- Wildfire
- Drought
- Flooding

(Photo by Joe Stone, 2003)

The City and County must submit a Hazard Mitigation Plan to the State by November 2004 to qualify for federal post-disaster mitigation funding.

Citizens are invited to an Open House to learn about Hazard Mitigation activities in Bernalillo County and to provide input and feedback in the development of the Plan. The Hazard Mitigation Plan includes Bernalillo County, the City of Albuquerque and other incorporated communities in Bernalillo County.

Meetings are planned for:

Wednesday, September 1, 6-8PM
Westside Community Center, South Valley
1221 Arenal SW, Albuquerque

Thursday, September 2, 6-8PM
Los Ranchos Village Hall
6718 Rio Grande NW, Los Ranchos

Wednesday, September 8, 6-8PM
Los Vecinos Community Center
478 1/2 Old HWY 66, Tijeras
