- Sketch and Final Plat checklists

This packet outlines the necessary steps for processing a Minor (Summary Review) Subdivision request within Bernalillo County.

### **SUBMITTAL REQUIREMENTS**

1. All submittals will be made through the Bernalillo County Zoning, Building and Planning Department and will be prepared in accordance with the current Bernalillo County Subdivision Ordinance.
2. Initial submittal must be complete. Incomplete or incorrect submittals will not be accepted or processed.
3. Submittals for Sketch and Final Plats must include:
  - a. Application
  - b. **1 copy** of plat. \* (Must be folded to the size of 8½ x 11, Bernalillo County Clerk only accepts plats on Mylar up to 18" x 24".)
  - c. Disclosure Statement
  - d. Appropriate fee.
  - e. Agent Authorization form
  - f. Checklist. Refer to and follow specific items detailed in attached checklist

### **SUBDIVISION REVIEW PROCEDURES**

The Bernalillo County Subdivision process consists of the following general steps.

1. The County Planning Section will distribute the application to the County Development\_Review Authority (CDRA) members for review and comment.
2. Your application will be scheduled for the CDRA public meeting. An agenda will be mailed to the applicant and agent. The CDRA agenda is also available on the County website at <http://bernalillocountynm.iqm2.com/Citizens/Default.aspx>
3. Prior to the public meeting, CDRA members may visit the sites on the agenda. Planning staff will review cases on Comprehensive Plan and applicable Area Plans. If there are any questions on subdivision compliance with the Albuquerque/Bernalillo Comprehensive Plan or Area Plans, please contact Benjamin McIntosh (314-0341) or staff from Planning & Development Services.

Robert Pierson

314-0334

Catherine VerEecke

314-0387

4. On Wednesday, prior to the public meeting, CDRA member's comments are due to the Planning Section by 12:00 noon.
5. At the public meeting, the CDRA chair will call each applicant forward and provide comments for the request. A copy of the comments will be made available to the applicant/agent during the public meeting. Signatures for final plat may be obtained when a member deems the plat complete.
6. The applicant and agent will receive a Comment Notification letter from the County following the public meeting explaining the necessary requirements for final action on the plat.

NOTE: In cases of rezoning, Special Use Permits or Variances, approval must be granted prior to CDRA review.

**COMPLETING THE PROCEDURES:**

In order to close the case file, two (2) copies of the RECORDED plat, DISCLOSURE Statement, IMPACT FEE assessment, and DFX file of the plat, must be submitted to the Planning Section. Bernalillo County **WILL NOT** issue any permits to the affected parcels until this is done.

The DXF and PDF must be provided to the Chair for quality assurance and must be validated **prior** to the Chair's signature. The DXF and PDF may be directly emailed to the Chair at [bmcintosh@bernco.gov](mailto:bmcintosh@bernco.gov).

## **IMPACT FEE FACT SHEET FOR SUBDIVISION ASSESSMENT**

The Impact Fee Ordinance (Chapter 46) of the Bernalillo County Code was adopted by the Bernalillo County Board of County Commissioners, effective January 1, 1996. This ordinance was amended in June of 2002, which became effective on July 25, 2002.

Impact fees are assessed for parks, open space, fire/EMS, roadway and drainage facilities in Bernalillo County, outside the incorporated limits of any Village or City. The impact fees are used to finance the capital facilities (such as land and buildings) needed to accommodate new growth.

### **NEW SUBDIVISIONS**

Impact fees are assessed (the amount estimated) when the plat is recorded for subdivisions that are platted or re-platted after January 1, 1996. A notice of assessment is prepared as part of the Final Plat.

### **WHEN IS THE FEE COLLECTED?**

The impact fees shall be assessed and collected at the time of issuance of a building permit or zoning permit.

### **HOW IS THE FEE USED?**

The impact fees are to be used solely for the purpose of planning, designing, land acquisition, construction, expansion and development of capital improvements (building and land), facility expansions or equipment which benefit those developments which pay the fees, based on service districts. The ordinance explicitly does not allow impact fees to be used for the repair, maintenance, modernization or expansion of an existing facility to improve service to existing development.

### **ARE PROJECT IMPROVEMENTS STILL REQUIRED?**

The payment of impact fees does not prevent the County from requiring a developer to construct reasonable project improvements on or off-site in connection with new development. Project improvements are defined as infrastructure or facilities necessary for a specific project.

Only system improvements designed to provide service to more than one project or the community at large may be eligible for impact fee credit.

## **BERNALILLO COUNTY ASSESSES THE FOLLOWING IMPACT FEES**

The **ROADWAY IMPACT FEE** will be used to construct roadway facilities, which are principal arterial, minor arterial or collector streets or roads designated on the Long Range Roadway System Map for Albuquerque, and those facilities in the MRGCOG modeling network.

The **FIRE/EMERGENCY MEDICAL SERVICE (EMS) IMPACT FEE** will be used for buildings for fire protection and/or emergency medical services and essential equipment costing \$10,000 or more and having a life expectancy of ten years or more. The fee is assessed per square foot for residential, commercial, industrial and office/institutional projects.

The **DRAINAGE IMPACT FEE** is assessed in five service areas of the County. The East Mountain area is excluded. The drainage fee is used for facilities that would collect, divert or convey a peak discharge of more than 50 cubic feet per second (cfs) or store more than acre-feet of runoff in a 100 year design storm. Most storm drainage pipes less than 30 inches in diameter would not meet this definition and would be classified as minor facilities. Only county facility costs are used in determining drainage fees. The Albuquerque Metropolitan Arroyo Flood Control Authority (AMAFCA) and Middle Rio Grande Conservancy District (MGRCD) projects are excluded.

The **PARK IMPACT FEE** is intended to address neighborhood, community and regional parks and related improvements provided by the County. The State Development Fees Act explicitly prohibits impact fees for libraries, community centers and schools. Park and recreation facilities within a community facility or on school property may be prorated and included. Only residential projects pay this fee.

The **OPEN SPACE IMPACT FEE** is assessed within the five mile Extraterritorial Zone with the City of Albuquerque. The East Mountain Area is excluded. The fee is based on the open space trails and related open space facilities as defined in the Albuquerque/Bernalillo County Comprehensive Plan. Only residential projects pay this fee.

This information fact sheet is intended to provide answers frequently asked. The [Impact Fee Ordinance \(Chapter 46\) of the Bernalillo County Code](#) and supporting [Capital Improvements Plans](#) are available and may be purchased at the Zoning, Building and Planning Department, 111 Union Square Street SE, Suite 100, Albuquerque, NM 87102 or can be downloaded [www.bernco.gov](http://www.bernco.gov) and printed by selecting the links above.
