

BernCo at a Glance

Volume 2 | July 25, 2019

Please join us for a dedication of public art along the Alameda Drain Trail. The newly renovated trail spans one-mile on north 2nd Street between Montano and Osuna. The pedestrian and bicycle trails are enhanced by permanent sculptures installed along the route. By the new year, there will be a total of five “Outposts” sculptures along the trail.

Join us for a fun-filled morning with coffee, fresh-baked scones, and a trolley ride of the trail!
