News to know...

County offices closed on Monday, May 28.

Bernalillo County leaders officially opened the county's new Resource Re-Entry Center [RRC], a first stop for individuals released from the Metropolitan Detention Center as they reintegrate into the community. The RRC will help former offenders navigate the transition from jail to society by offering access to the services and support they may need to stabilize, stay healthy, regain self-sufficiency, and break the cycle of recidivism.
