The Bernalillo County Department of Behavioral Health Services is currently accepting applications for committee members to sit on the Behavioral Health Initiative citizen-lead subcommittees. We are inviting interested community members to apply by submitting a letter of intent and resume. Our subcommittees consist of members with a compelling interest or expertise in behavioral health issues, technical advisors and staff who can provide us with sound ideas, decisions on unique issues, and a voice in the Behavioral Health Initiative of Bernalillo County.

Albuquerque and the Bernalillo County area have a complex array of behavioral health and social services, through recent studies and community dialogues, four sub-committees were identified:

- Crisis Services
- Community Supports
- Supportive Housing
- Prevention, Intervention and Harm Reduction

The purpose of the sub-committees is to bring together technical experts and individuals representing the community. They recommend the services needed within the four identified areas and help provide assessment of potential and current behavioral health projects.

The four subcommittees each meet quarterly. The first meeting will be in early September 2019. To apply, please email a résumé and cover letter to BHInitiative@bernco.gov no later than 5 p.m. Friday, August 23, 2019. Applicants will be notified of selection by Friday, August 30, 2019.

Sincerely,

Katrina Hotrum-Lopez, Director
Bernalillo County Department of Behavioral Health Services
