BOARD OF COUNTY COMMISSIONERS

ADMINISTRATIVE RESOLUTION NO. 2016-31

**COUNTY POLICY ON THE ACCEPTANCE OF STATE OF NEW MEXICO CAPITAL
OUTLAY FOR USE BY NON-GOVERNMENTAL ENTITIES**

WHEREAS, The New Mexico State Legislature appropriates capital outlay funds to various non-governmental entities, such as not-for-profit or non-profit agencies; and

WHEREAS, The State of New Mexico funds capital outlay projects with Severance Tax Bonds, resulting in increased regulations and responsibilities for the County to comply with State-imposed conditions in regards to contracts, anti-donation issues, contract monitoring, accounting and reporting requirements; and

WHEREAS, The State of New Mexico requires the local government to own all property, equipment, or vehicles and lease to any non-governmental entity the property, equipment, or vehicles purchased with capital outlay funds in a manner that meets the value of the capital outlay appropriated and does not violate the anti-donation clause as interpreted by the State Attorney General's Office; and

WHEREAS, The Attorney General's Office and the State Department of Finance require all conditions set by both agencies to be met prior to executing grant agreements and starting the capital outlay purchasing and/or project implementation, resulting in average time periods of three (3) months to over one (1) year to satisfactorily meet all conditions and begin the process of expending the capital outlay funds; and

WHEREAS, the increased regulations to expend capital outlay funds have greatly burdened the County with administrative and staff costs required to administer the process which are not eligible for reimbursement using capital outlay funding; and

CONTINUATION PAGE 2, ADMINISTRATIVE RESOLUTION AR 2016-31 .
