COME ANSWER A CHALLENGE QUESTION TO RECEIVE A PRIZE! BRING YOUR FRIENDS AND JOIN A GAME! OR COME EACH WEEK AND BUILD YOUR OWN NATURE EXPERIENCES.

## FALL SCHEDULE

### SEPTEMBER - **Furry Friends**

Seen any snuggly mammals moving around the Bosque? Learn all about the animals of the Middle Rio Grande by telling stories with puppets building habitat models and searching for clues.

### OCTOBER - **Cycles of Life**

As the seasons change, explore the cycles of life by adding to our seed mural, searching in a scavenger hunt, and mapping out the food chain.

### NOVEMBER - **Flights of Fancy**

Grab a pair of binoculars and watch as cranes, crows and geese fly overhead. Explore the reasons for migration in a simple game, and build your own flying creature.

### DECEMBER - **Building with Biomimicry**

Take the design challenge by watching what nature does. Explore the fascinating world of animal structures as the park lightens up without leaves, then warm up inside by taking on a building challenge of your own.
