Good afternoon, Jaimie-

In preparation for the Level B.1 development agreement coming up (probably November 13th), we were wanting to offer you the opportunity to comment on the latest version before the hearing. If you'd like to do that, including inviting some of your clients and other interested individuals, we could set up a meeting with you at Planning, similar to what we did with Level A.

Please let me know if you're interested.

Thanks, Jaimie.
