BILL: _____

Los Vecinos Community Center Land Acquisition and Improvements

\$750,000 is requested to plan, design, construct, equip and furnish site improvements and acquire land in the vicinity of the Los Vecinos Community Center (LVCC). The purchase of adjoining land could support new activities at this community center complex including an aquatic facility such as a splash pad/spray park. Drainage improvements to better direct stormwater flows from NM State Highway 66 through the property, rehabilitation and expansion of the paved parking area, upgrades to the irrigation system and soccer field, and conversion of the skatepark from modular components to concrete are all desired.
