

Public Hearing Announcement and
Notice of Availability of an Environmental Assessment for the
**Sunport Boulevard Extension /
Woodward Road Improvements Project**
CN A300160 & CN A300161

U.S. Department
of Transportation
**Federal Highway
Administration**

Bernalillo County, the New Mexico Department of Transportation (NMDOT), and the Federal Highway Administration (FHWA) have completed an environmental assessment (EA) for the proposed extension of Sunport Boulevard between I-25 and Broadway and associated improvements to Woodward Road between 2nd Street and Broadway. The purpose of this project is to improve roadway connectivity, and address other transportation and access needs in this area. The EA evaluates the No Build and the Build Alternative and provides detailed information about the purpose and need for the project, the major design features, and the impacts to the human and natural environments and to cultural resources.

Sunport Boulevard Extension / Woodward Road Improvements Project Public Hearing:

Thursday, July 19, 2018

6:30 – 8:30 p.m.

Mountain View Community Center

201 Prosperity Ave. SE

Albuquerque, NM 87105

The public hearing will provide a summary of the EA and the major findings, and provide an opportunity for the public to comment on the EA and the proposed action. Comments will be welcomed on bicycle and pedestrian issues as well as natural and cultural resources. Displays, information, and project representatives will be available at the hearing starting at 6 p.m. **A presentation will start at 6:30 p.m. followed by a formal public comment period.** There will be a five minute limit to verbal comments during the comment period. Additional comments may be submitted in writing, no later than July 31, 2018. Spanish translation will be provided at the meeting.

The EA is available for review online at www.bernco.gov/Sunport. Copies of the EA are available for review at the following locations from June 29 to July 31, 2018:

BernCo Public Works 2400 Broadway Blvd. SE Albuquerque, NM 87102 (505) 848-1500	Mtn.
